Foothill High Band Letter Jacket - Info & Design Packet

Thank you for choosing JacketBack Embroidery for your all important - once in a lifetime - letter jacket purchase. This Info & Design Packet is to provide us with the decoration information needed to create your design proof and to insure quality control while your letter jackets is in production. If you have any questions about this process please contact us info@jacketback.com or call 888-554-8326.

- Complete the attached forms with as much information as possible. The examples shown in the packet come from the majority of jackets purchased by Foothill students.
- Get fitted & submit your design packet in person at FHS Registration day (8/7 & 8/8).
- Make payment for the “Standard Package” in full (\$295 plus tax) at order point.
- You will have the option of receiving a design proof and updated invoice via email for your approval OR you can choose to proceed with decoration per the information in this design packet (No design proof provided).
- If you choose to receive a design proof and you have not received your proof within 3 weeks please contact us. Make sure you check your spam folder as well.
- If you are interested in adding a full back design to make the jacket as unique as you are, we recommend you submit that design info in person or via email. To get some design ideas visit our website (www.jacketback.com) to view our large collection of completed jackets in our Jacket Gallery and/or view thousands of other design options in our vector library at www.yourartpages.com
- We do not send a proof for patch placement. Make sure that you have provided all patches and patch location information to us.
- You will be contacted when your jacket is completed and ready for pick up. Standard production time from start to finish is 6 to 8 weeks.

The completion date that is provided to you when you place your order is only an estimated goal that is set by JacketBack Embroidery. A completion date may increase during peak ordering seasons. Please submit your design packet within one week from your order date. Failure to submit or approve your design will delay the completion date of your jacket.
